Dear [REDACTED]

Has it really come to this:

**Choosing between a Conservative no deal Brexit with Boris Johnson or a Labour Brexit deal with Jeremy Corbyn?**

I think Britain must demand better.

Brexit is bad for our future whether it's Boris Johnson or Jeremy Corbyn delivering it.

**If you think we need to stop Brexit and change the direction of our country, the Liberal Democrats are with you.**

Millions of voters are turning to the Liberal Democrats for change. We gained over 700 seats in the local elections. We beat both Labour and the Conservatives in the European elections. We cut Boris Johnson's majority to just 1 by winning the recent Brecon & Radnorshire by-election.

**We are Britain's biggest Remain party and we're here to offer a better future. I hope you'll join us and together we will win the next General Election and stop Brexit.**

If we stop Brexit, then we can build an economy that works for everyone, so families aren't forced to rely on foodbanks. We can make tackling the climate emergency a priority for our government. We can start investing our schools so that every child has the best start in life.

This is the kind of Britain that we can build with your support. You can find out more at [www.libdems.org.uk](http://www.libdems.org.uk).

Best wishes,

Jo Swinson MP  
Leader of the Liberal Democrats

PS Remember, we don't have to choose between a Conservative or Labour Brexit.

**You can choose to Remain by backing the Liberal Democrats at the next election.
